

Teen Read Book Club

Students who like to read are welcome to attend the Teen Read Book Club meetings the first Tuesday of the month, 7:45AM, in the high school library.

The students discuss books they are reading/have just read that they really like so that other readers can get ideas on what to read. Members present a short book review at each meeting, also. Sometimes they have contests for prizes.

The members give Mrs. Meier ideas on what books they want her to buy for the high school library.

Teen Read Book Club was started by Mrs. Meier when she became the library media specialist at the high school.
